

W7 – Free Software licenses

Version 1.1 – October 2024

SoftEng
<http://softeng.polito.it>

Antonio Vetrò,
(with contributions from J.C. De Martin)

CHECK-IN

- <https://moodle.polito.it/mod/quiz/view.php?id=6979>
 - Or <http://tiny.cc/W7-Free-SW>

ACTIVITY

1. Check licenses and their properties in table 1 and table 3 at <http://tiny.cc/free-licenses>
2. Discuss within your team which license better match the software, given its context of use and your won perspective.
3. Put indication of the license and its text on your Github repository
4. Write the license name and version in the shared repository file
5. **Briefly explain your choice to me**
